If you wish to be assessed for a particular discipline, please let us know. Kindly bear in mind that MBS Professionals Ltd can only assess people who wish to give readings or sittings in the divinatory and psychic sciences.

Therapists and all those who treat people for health and wellbeing or psychology need to obtain professional accreditation by their own organisation. Once you have your qualification, send us a copy of the certificate so that we can validate it and accept you into our Directory of Consultants.

THE DIRECTORY OF CONSULTANTS:

Please provide MBS Professionals Ltd with the following details for our online Directory.

BAPS Certificates – The Current Arrangement

We require a copy of a Certificate that is no more than two years old, that has been issued by the British Astrological and Psychic Society (BAPS).

As long as your BAPS Certificate is dated 2016 or 2017, we will accept it forthwith. If your Certificate is older, MBS Professionals Ltd would require ONE new assessment to be carried out by an assessor appointed by our Accreditation Panel. This doesn't refer to the date of your *original* assessment, just your usual up-to-date, annual Certificate.

NB: Once you have been accredited as an MBS Professionals Consultant, we may occasionally ask you to assess others in their turn.

Therapies, Divinatory and Other Skills

Please send us photocopies of recent Certificates for therapies, skills or anything else that is relevant and for which you are qualified. If these items are suitable for our purposes, we will welcome you into our organisation, list the details on your entry in our Directory of Consultants and issue our Certificate as well.

If you do anything relevant that does *not* require a specific qualification, please let us know about it. If it is appropriate, it may qualify for mention in your entry in the Directory of Consultants.

Please furnish us with as much information about you, your skills and other matters that may be useful for our database. In need, use a separate sheet of paper. Tell us everything that is relevant about your achievements, current work and your Bio.

Contact Details

Tell us which contact details you want us to display in the Directory of Consultants, and please tell us about the details that you wish to remain private.

Photo

If you would like to add a head and shoulders photo to your Directory entry, send us a jpeg by email, or a photo that we can scan and return to you.

Gallery, Blog and More

There will be space on the MBS Professionals Ltd website for you to post pictures and to say more about your work, to ask questions and to answer those of others and to chat about mind, body and spirit matters. Any articles, questions or comments that you want to place on the blog will be welcome.
